RELEASE NOTES

July 28, 2015

Contents

1. Child Questions and Additional Info sections moved to bottom..... .. 2
2. Data Download Enhancements 3

1. Child Questions and Additional Info links moved to bottom

When updating Child Record, "Child Questions/Additional Info," often the user (parents/center directors) **miss the sections** because they are setup as separate links.

Enhancement: Remove the two links "Child Questions" and "Additional Info" and set them up as regular sections at the bottom of the "Child Information" page.
