OnCare Office Version   3.3

Release Notes: Aug 11, 2017

Features:

#	Type	Module	Description	Pg
1	**Enhanced**	Family Accounting	**New columns included to the Withdrawal Details section of enrollment/withdrawal report**	1
2	**Enhanced**	Family Accounting	**Users can now inactivate the Withdrawal Reasons even if it is assigned to a child**	1

1. **Enhanced:** Enrollment/Withdrawal Report Enhancement

The Enrollment/Withdrawal report will now display the length of time child was enrolled in the center. Two new columns 'Enrollment Date' and 'Enrolled Period' are added to the Withdrawal Details section of this report.

Access Path: Family Accounting →Reports → Family/Child Data → Enrollment/Withdrawal Report

Withdrawals Details (01/01/2017 - 12/31/2017)

No	Family Account Key	Child Name	Enrollment Date	Withdrawal Date	Enrolled Period	Withdrawal Reason	Child Status
1	A. BECK	Shelby B. Turner	12/01/2016	05/11/2017	5 Months and 11 Days	Graduated	Inactive
2	HENRY	Mary Henry	05/01/2017	08/15/2017	3 Months and 16 Days	MovedToDiffArea	Inactive

2. **Enhanced:** Inactivate Withdrawal Reason

Earlier the withdrawal reason cannot be inactivated once it is selected for a child. Now the user can inactivate the withdrawal reason even if it is selected for a child.

The withdrawal reason will be inactivated but will still be displayed in the child info page and related reports.
